THE ESSENCE OF PURITY TEAM

When I'm faced with
betting on something,
I always pretend
not to cry and
I run as fast as I can

And so
I've thrown away
all my sad feelings
like that,
that s what
I thought

The truth is
No matter what God
in this world
you wish upon,
there is a future
that you cannot
escape from

Where the
sky and
the earth meet

天涯の血

Ray-earth!
Ray-earth!
Where are you?

here here
Lito!
Again that little one
Isn't it?
he managed to climb up the roof but he can't seem to get down.
But, you see he's still small so,
So high, hiiiigh
Really
I've told you not to spoil him!

Keh.
Hehe. We've been scolded.
Last time, he was stuck on top of a tree and before that he was stuck on top of the chimney.
If we continue to help him, he can't practice how to fly, can he!
and...
SLIP
LITO!
Kya.

He's going to fall...!
DOKUN

HA
That surprised me

I might have fear of heights.
WHAT
Even though you were okay when you fix the roof all this while!?
Yeah, I think I've just realized it now
Climbing everywhere without thinking the consequences, you're in the same group with the daidai'

I'm a completely miserable person....

SHOCK!
Wh, what!?
AH!
You, who'd probably faint when there's a sight of blood! How come you don't care about your own injuries!?
Honestly
It's just a scratch I got when I was climbing up to the roof.
Oh no, Rayearth, you're injured!
Oh, this?
I wonder ?
That was scary.
I'm scared of blood Roses

Hmm
You know everything, don't you.
Much more than I
not really
There's a lot of things that I don't know

You see, you're the one that taught me about the "Best ground", aren't you?
There are a lot of beautiful flowers growing there
and the weather is always good.
Nobody to order you around
nor to be angry or fight with.
You don't ever feel lonely
or sad.
A peaceful country!

The gentle wind
could even cure the sadness of losing someone you love.
The country of dreams in fairy-tales.
Maybe someday the two of us could turn this place into a "Best ground" full of flowers
Yeah.

When
and from whom did I hear this story from. ?
Rayearth?

The feeling that is piercing my heart
The sensation that feels so far away...
What is this feeling?
The feeling when Lito was about to fall!
Let me cook your lunch properly!
Is it okay with pancakes and ham?
Again...
Are you okay?
Are you hurt somewhere?
It's nothing.

My name is Hana
That is my companion, his name is Elle-

That s very helpful of you.
My companion s leg is pretty weak so,
he can t go to and fro this steep valley
It seems that he came to pick up those medicinal plants that are growing wild in the south valley
Rather than going to the town across the valley, here is nearer so
I've asked them to stay here for awhile

I'm quite worried, you see From tomorrow onwards, during the evening we plan to go down the valley and pick some herbs but
Oh
to leave behind a companion who can t even run
Lately, there have been robbers and hungry wild beasts that are wandering around targeting travelers even in the desert
and this place seems very defenseless

Why?
Hana, don't you think he's weird?
That guy...
CLATTERING
He, never used his right hand
He's probably left handed

Those who have the evil intention of killing would never use the hand that they're used to in front of other people
Maybe, but
Whenever or whatever situation they're facing,
in the brink of a minute, one Second, they can pull out their sword
to completely annihilate their enemy

-Hmm...
I... don't know?
Maybe...
What's that?
Is that some Knight teachings or something?
Did you see that? Eyes that didn't even hide their doubtful look!
I thought that brat was an obliging person but it seems like he has an enthusiastic side too
HA HA HA
young people are so lucky
You're following me around to just waste some time...
Lately, you've been kind of taking excessive care
To think that my wellfare matters to you...

This is wholly unexpected
I'm the one who found you by chance, when you seemed to have fallen off a cliff, you know?
I was worried so, that's why I followed you around-
- Hey
Are you alive?
You're lucky that you've fallen onto dried grass and soft ground
What, you're alive after all

I just want to take a look at you injuries
BAM
It's okay I'm fine
Besides the field up at the cliff was covered with black bloodstains
I came from up there but I didn't see anyone
Then it's useless because
Are you waiting for someone to come down?

Lately there's been a lot of people who sell corpses to 'Gyokuto' to get money
Perhaps, the thieves took the bodies away
'Gyokuto' is a clan of medicine masters who can cure any incurable disease by taking some part of the body of a person who made the contract with them but
There's a rumor saying that they make the medicine using corpses
I heard that they can even resurrect a dead person by combining magic and human entrails
Did you know?

You are lucky, I think.
Added to the fact that I was collecting some herbs
I found a good road guide.
Plus
I managed to cross the desert without being attacked by the desert beast 'Talvy' because
me, the medicine seller, was holding a twig of the 'Za'kuum' tree which the beast hates the smell of.
Scarlet coloured branch
There was the same tree at the graveyard
I don't understand.
Your actions are unnatural

Hana
Why do you have such an interest in that boy?
I can see it by one glance
Legs that are so weak that they can't even run
It is because you've been staying in one single place for a very long time
I think you didn't have to move or even to do anything around you
You, a person who has been brought up so fine didn't bring any companions or subordinates
Moreso, walking across an untamed desert that is filled with carnivorous sand beasts
Just to look for a one human being...

Your side is more unusual and that captures my interest
You
and
the boy who looks as if he has no connection in this matter...

How do I say it...
It looks like it's made totally different-
can't think of that as a guy's hand
